Study in Japan!

University of Tsukuba offers the Japan-Expert Program, a 4-year undergraduate degree program to train international students with a Japanese outlook to further understand Japan's culture and society. In our program, you can develop your knowledge and skills in your chosen specialization as well as Japanese language skills. BE A JAPAN-EXPERT and be the link that connects your home country and Japan.

Is Your Heart Set on Studying in Japan? 4 undergraduate courses available

After entering the program, intensive Japanese language courses (for 6 months) will be provided.

You may apply even with N3 or N2 Japanese language proficiency level.
