

# University of Tsukuba

## Japan-Expert (Bachelor Degree) Program

# Study in JAPAN !

For international students who want to work in Japan or to do work related to Japan, we have established the Japan-Expert (Bachelor Degree) Program (4 years) that provides intensive Japanese language and specialized education. This program is designed to nurture future specialists who will connect Japan with your country.

After entering the program,  
intensive Japanese language courses (for 6 months) will be provided.

You may apply even with  
**JLPT  
N2 or N3**
